

# HOW TO REGISTER

Welcome to our on-line registration portal.  
Access codes are requested for registration.

To get your access codes, You can create a free profile simply clicking on the appropriate button:

- Private users: Create a new individual user
- Companies/Groups: Create a new company profile

Once your profile is created, you will receive a summary email with your login details.

**For this reason it is important that you indicate a valid email address.**

Technical Note: If you use spam filters in your email account, this summary email might be classified as spam, so please check in your spam messages in case you do not receive the email with your login information.

If you already own username and password, you can proceed with your registration to the event.

Follow these steps to login:

- Click your profile tab (PRIVATE LOGIN or GROUP LOGIN)
- Enter your Username and Password
- Click on the 'Login' button or press Enter on your keyboard

Create a new  
individual user

Create a new  
company profile

Click on the [registration url](#). You will be led to the home page of the registration platform.

If this is your first time registering click on "CREATE NEW INDIVIDUAL USER".

In which main area of work is your organization active? \*

## Select your ticket

The following categories will appear for those who have not added the discount code:

**Learning Lab Day 0 Course ONLY** (this course is taking place on day before the OLLD event, on 20 September. You should use this categorie if you are NOT participating in the conference but only in the learning lab. For more information on the course see <https://openlivinglabdays.com/day-0-2022/> )

**Non-ENoLL Member** (General Admission ticket)  
You should use this categorie if you want to participate as a delegate in the conference (and participate in the learning lab if wanted)

**Student** (students need to upload a proof of enrollment in an educational institution to proceed with the registration)

## Courses Registration

If you have selected " Learning Lab Day 0 course ONLY" category, we remind you to select now the desired course. Without it, you will be not officially registered to one of them.

**Track 1: THE LIVING LAB FUNDAMENTALS - NEWCOMERS**

Track 1: oriented towards newbies of the Living Lab community, aims to train participants in understanding what Living Labs are and are not, starting from the basics (e.g. pitfalls and challenges of Living Labs, key characteristics, how they function, etc.) up to explore the main building blocks of setting up a Living Lab from the stakeholder engagement, governance and business model perspective,). Track 1 has been built as lighter version of the ENoLL Virtual Learning Lab, condensed on the main topics supporting newcomers in shedding lights upon the most frequently asked questions: How to set up a Living Lab? What governance models are most successful for Living Labs? How to make profits out of a Living Lab? How to make a Living Lab impactful and stakeholders engaged over time? Track 1 is organized in 3 main sessions and a panel debate. After each presentation, a Q&A session will be offered to the audience.

Location OGR - Officine Grandi Riparazioni  
from 20/09/2022 10:00:00 to 20/09/2022 15:30:00

Max no. Participants 50

Fee

**Track 2: CLOSE-UP ON PANEL AND PILOT MANAGER ROLES AND CO-CREATION IN A REAL-LIFE ENVIRONMENT - PRO**

Track 2: offered to practitioners with an intermediate level of knowledge of Living Labs, focuses on more practical roles and day by day activities for successfully running Living Labs. This includes digging deeper on the role of the panel and pilot managers within a Living Lab, as well as exploiting co-creation in a real-life environment. Track 2 is organized in 3 main

Whichever ticket you select, you will be led to "courses registration" page.

**This is relevant only for attendees of Learning Lab Day 0.**

If you are not registering for Learning Lab Day 0, do not select the courses.

## Registration Services

**if you are a Social Guest, we remind you to select now the desired Study Visit. The choice has to be made in this section. Without it, we cannot guarantee your participation to one of them.**

**Award ceremony and networking dinner**

Location: Nuvola Lavazza

Date 22nd September, 2022

No.  (Max. 1)

Fee

Total 0,00

**Study Visit 1 - Turin Technological Innovation Hubs**

In this study visit we will discover together the places where technological innovation serves the city and its citizens: a unique journey through virtual reality, skyscrapers, digital totems, avatars, and humanoid robots. Among the destinations is the House of Emerging Technologies in Turin, a project led by the City of Turin, funded by the Italian Ministry of Economic Development and co-funded by the main actors of the local ecosystem. The goal of the project is the creation of a widespread technology transfer centre on emerging technologies enabled by 5G, capable of promoting the development of enterprises and urban innovation services for citizens and public administrations.

Date 23rd September, 2022

No.  (Max. 1)

Fee

Total 0,00

If you want to attend the Gala Dinner, select the “Award Ceremony and networking Dinner”. This comes at an additional cost of 55 EUR + VAT 22%.

**Conference attendees** can choose the study visits free of charge. You will be only allowed to 1 visit on Friday.

**Social guests** can choose one study visit.
